CUSTOMERS ARE FLOCKING TO STORES FOR VIRGIN VAPOR ORGANIC E-LIQUID

"Love Virgin Vapor!! I'm new to vaping but have tried several different brands of liquid and this is by far the BEST out there. I got the melon one (Celestial Honeydew) and OMG it's amazing. I originally got it in a sample pack along with peach (Perfect Peach) and watermelon (Juicy Watermelon), which are awesome as well but I just ordered a big bottle of the melon today. I can't wait to get it. Also ordered 2 more sample packs. They are so nice. I don't have to spend money on something I may not like!! Customer service is amazing! Keep up the good work!"  
-Customer E-mail, 3/29/14

"I don't usually write to companies, but after trying many, many e-liquid vendors/manufacturers, I have to give credit where credit is due. I have never had such unbelievably pure flavor; in fact, I didn't think it was possible for e-liquid to be so enjoyable. I don't know if it's because it's organic or high quality, but Virgin Vapor can't be beaten in terms of flavor, quality, and vapor production. Please don't change anything!"  
-Customer E-mail, 6/11/14

WEED OUT THE  
COMPETITION.

## HEMPFEST 2015

A large crowd of people is gathered in front of a stage at the Seattle Hempfest. The stage features a large banner that reads "SEATTLE HEMPFEST" and "HEMPFEST.ORG". A person is visible on the stage, and the crowd is dense, filling the foreground. The scene is captured in a sepia-toned photograph.

A large crowd of people, many holding cameras and microphones, gathered outside a building with a sign that reads "FIRST LEGAL CANNABIS STORE". The scene is crowded and appears to be a media event or a public demonstration.
